POWER FLUSH all natural herbal capsules combine the finest herbs that are of such impeccable quality & cleanliness, they have been certified Kosher & Parve. **POWER FLUSH** capsules have 4 of the most powerful medicinal herbs used to flush toxins from the body, dandelion, burdock, red clover and yellow dock. These powerful herbs have historically proven to be extremely effective in removing toxins from both the blood and urine.

HIGH TOXIN LEVEL CUSTOMERS which we generally classify as those who have been exposed to toxins on a daily basis for an extended period of time (say, 3 months or longer), should use the **POWER FLUSH** capsules prior to using **ULTRA MASK 1 HOUR LIQUID FORMULA**. For optimal results, finish taking **POWER FLUSH** 1 hour proper to using **ULTRA MASK**.

FOR OPTIMUM RESULTS avoid all toxins and unnecessary medications for at least 24 hours prior to use. Many over the counter and prescription medications will produce false-positive test results. Drinking plenty of water the days prior to using **POWER FLUSH** capsules will help reduce toxin levels. Limit water intake the day you intend to use **POWER FLUSH** to avoid over-hydration, which will result in excessive water in the urine sample that will be labelled as “dilute”.
